

ANNUAL STATEMENT

Commissioners' Report Submitted to the President Today.

EXHIBIT FOR FISCAL YEAR

Police and Fire Departments and Public Schools.

THE NEEDS OF DISTRICT

The Commissioners of the District today submitted to the President for the information of Congress, as required by law, their annual report for the fiscal year which ended June 30, 1900. It is as follows:

**Appropriations and Revenues.**  
The appropriations for the year, which were payable out of the general revenues and embraced all but the appropriations for the water department, were \$1,132,541.53. This included \$258,205.70 of disbursements on account of damages incident to the extension of streets, and for other purposes, wholly out of the revenues derived from taxation of private property and privileges. The receipts from taxes and other resources applicable to the payment of said appropriations (including the amount contributed by the United States and the balance of the District expenses, and a surplus of \$603,253.28 of District revenues of former years) were \$1,520,418.75.

The expenditures of the water department were \$407,114.42, and were wholly payable out of the revenues received from water rates and assessments. The revenues of said department, including a balance of former years amounting to \$351,712.08, were \$715,081.42.

The details of the revenues and expenditures for the year are stated in the accompanying reports of the collector of taxes and the auditor respectively.

Funded Debt.

The funded debt of the District of Columbia on June 30, 1900, was \$15,094,570.18. No portion of it was incurred under the present form of the District government. The treasurer of the United States, who is charged with its management, reports it in detail, as follows:
